## General Description

Evita is a total sweetheart. Very nice young lady who wants to please and is one of the very best I have spent time with. She is the type of girl you would love to have as your girlfriend. Fun and nice conversation then serious private time. She is awesome!

## The Juicy Details

Holy shit is all I can say. Evita has stellar reviews so I had no problem setting up an appointment. She came over as planned and I confirmed with my own eyes she is a tight little hot spinner that every man wishes they could fuck. Elvira is a sweet girl and not only wishes to please you but is interested in pleasing herself, which she did a lot of and this totally turned me on.

So we stared out with some conversation which led to sensual kissing. Not before long my tongue was exploring her body from her nipples to her sweet tasting wet pussy. I spent considerable time date and linking and fingering her tight liit ass. She wanted to suck my cock and went after it, slurping spitting and deep throating. We then went 69 for a while...OMG!

Next she wants me inside so I start out pounding that tight snatch. Evita tells me how awesome my big fat cock is and wants it in her ass,

Guys,

For a small girl, I fucked that ass harder than anytime in my life. She had the most incredible orgasm. Edits immediately stated some deep throat followed by cow girl until I totally exploded inside. She told me how much her ass enjoyed grabbing on to my cock!

We had another round in which she took her time and made sure I came again. This was so awesome. It was her mission to make me come.

I definitely highly recommend.

## Testimonials

My father once told me, "Nothing in this world is free. Not the food in your belly, not the water that hydrates you, nor the air you breathe. Someone or something somewhere sacrificed time, effort, or money, so you could have those privileges." ...Well, F\$%\* you dad! EM is free, and it's fu\$#^&\* amazing!
